## *Crowned Coastal Virginia's Best in Kitchen Remodeling*

*“Built on years of hands-on experience and a commitment to quality, our company has become a trusted partner in cabinetry and countertop solutions. Guided by craftsmanship, thoughtful design, and proven processes, we deliver products built to perform—today and for years to come.”*

Founded in 2007, Stone4Kitchen is a minority, woman-owned, family-run company rooted in care, accountability, and hands-on service. As demand grew, we launched our sister brand, EZcabinetry, to expand our offerings, while staying true to the values that guide everything we do. We specialize in cabinetry and countertops for homeowners, builders, and multifamily communities across Coastal Virginia, from Richmond to the Outer Banks, NC.

From our first conversation to the final installation, we handle every detail in-house—from material coordination to expert installation—so you can feel confident your project is in good hands. By focusing on the small details, careful scheduling, and clear communication, we deliver results you

Every year, we bring thousands of kitchens and baths to life—working side by side with you to create spaces that are beautiful, functional, and built to last.

# Showroom & Facilities

VISIT US TODAY

Our showroom is designed to make your experience easy, inspiring, and hands-on. No appointment is needed—our team and in-house designers are always happy to welcome you and help bring your ideas to life.

Every product we offer is on display, allowing you to see materials, finishes, and details in person. Whether you're gathering inspiration or refining a specific vision, you can explore options, compare styles, and have real conversations about your project with our knowledgeable team. From concept to selection, our showroom is a collaborative space where ideas take shape and confident decisions are made.

# In-Stock Cabinetry

**SAME-DAY PICKUP/DELIVERY**

Shaker style cabinets are known for their clean, functional design and timeless appeal. With a flat center panel and simple, straight framing, they offer a balanced look that fits seamlessly into both modern and traditional kitchens. Their versatility allows them to feel warm and classic or updated and contemporary, depending on the finish and hardware chosen.

## Features and Specs:

- ✔ *All-Wood Doors & Drawers*
- ✔ *Full-Overlay Design with Soft-Close*
- ✔ *5/8" Thick Plywood Construction*
- ✔ *Dovetailed Fully-Extendable Drawers*
- ✔ *Adjustable Shelves, Concealed Hinges*

## SAME-DAY PICKUP/DELIVERY

Get the cabinets you need, when you need them. With four fully stocked warehouses in Hampton and Richmond, our six most popular cabinet styles are in stock and available for same-day pickup or immediate delivery—so you can keep your project moving without delays.

## FACTORY DIRECT PRICING

Enjoy competitive, budget-friendly pricing without the middleman. By sourcing directly from our factory, we pass the savings straight to you, giving you high-quality cabinets at prices that make sense.

## DID YOU KNOW?

Every year, we help hundreds of homeowners and builders significantly reduce cabinetry costs. On average, our pricing is 20–30% lower than big box stores and many local cabinet companies—while delivering higher-quality cabinets and exceptional customer service.

# Custom Range Hood

BUILD-TO-ORDER | 2-6 WEEKS

Our custom range hoods are built to be both a functional necessity and a statement piece. Designed to match your cabinetry and overall kitchen style, each hood is crafted to your specifications with careful attention to proportion, detail, and finish. From clean and modern to classic and architectural, our custom range hoods add character, elevate the space, and create a seamless, built-in look that ties the entire kitchen together.

We have close to 50 different styles where you can choose from and they can be finished in any color. We also offer matching hood inserts, making it easy for you to complete your kitchen with one-stop shop experience.

# Custom Build

BUILD-TO-ORDER | 2-6 WEEKS

With a full custom cabinet shop located in Hampton, our team brings over 10 years of experience serving commercial projects such as offices, retail spaces, and other professional environments. We design, build, and install custom cabinetry, range hoods, and architectural woodwork that balance durability, functionality, and clean design.

By offering both in-stock cabinetry and a full custom shop, we provide efficient semi-custom solutions that reduce cost and turnaround time while still allowing the flexibility to meet your project's specific requirements. The same level of quality and craftsmanship is also available for residential projects.

# Countertops

NATURAL & ENGINEERED STONE

At Stone4kitchen, we specialize in turning raw stone and engineered surfaces into beautifully finished countertops tailored to your space. From precise cutting and shaping to polishing and edge detailing, every piece is crafted with accuracy and care to meet both functional and aesthetic standards. Using our modern digital system, we select the finest sections of each slab and create flawlessly matched patterns for a seamless, high-end finish. Equipped with multiple robo sawjets, advanced CNC routers, and an on-site laser templating system, our facility delivers unmatched precision on every countertop.

## The Benefits of Working With Us

### ✔ **Founded in 2007**

19 years perfecting the art and science of custom countertop fabrication.

### ✔ **Most Advanced Fabrication Facility:**

Equipped with multiple robo sawjets, advanced CNC routers, and an on-site laser templating system, our facility delivers unmatched precision on every countertop.

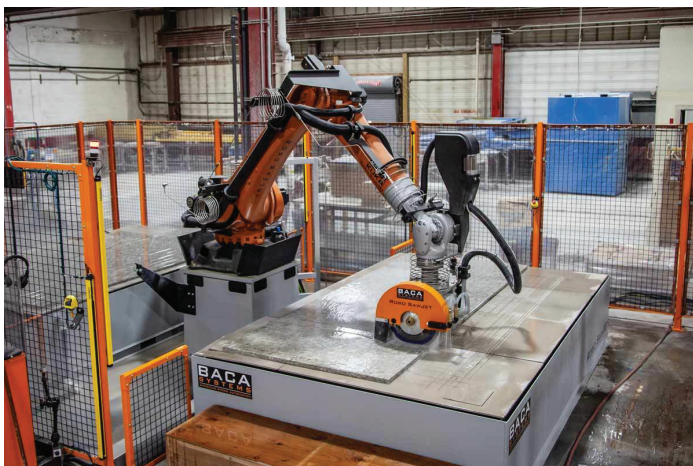

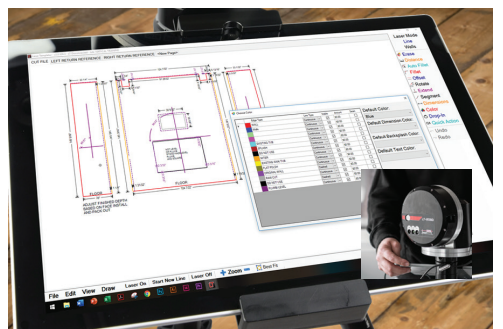

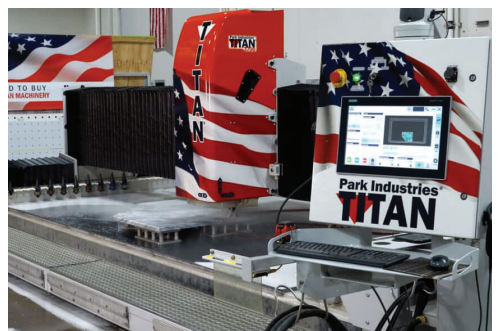

### ✔ **Priced by the Square Foot:**

We price by the square foot—not by the slab—so our customers aren't paying for unused material or waste.

### ✔ **Largest Slab Yard in Coastal Virginia:**

With over 2,000 slabs in stock, our bulk purchasing power allows us to offer exceptional selection while passing cost savings directly to our customers.

# Material Selections

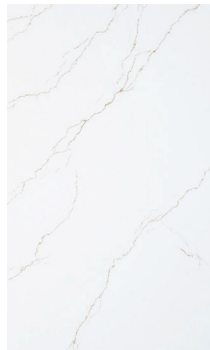

## NATURAL & ENGINEERED STONE

We work with a wide range of materials, including granite, quartz, marble, and Dekton surfaces. By partnering with all major stone suppliers across the country—and importing select exotic stones from Europe and South America—we're able to offer exclusive material options that give our customers access to truly distinctive and premium surfaces for kitchens, bathrooms, and commercial projects.

### Popular Materials:

# How the Process Works

FROM CONCEPT TO COMPLETION

1

## FIRST MEETING

We start by discussing you or your clients ideas, needs, and goals for the space. You'll see our products and finishes in person and begin building a mood board that brings your vision to life.

2

## MEASURE & DESIGN

Next, we refine the design and gather measurements. You can provide rough measurements for a preliminary quote, or we can visit your home to take precise measurements and create an accurate template.

3

## PAYMENT & SCHEDULING

Once the design and measurements are confirmed, we finalize the project cost and process payment. Production and installation schedules are then set, giving you a clear timeline for the project.

4

## CABINET INSTALLATION

Our in-house team installs your cabinetry and prepares the space for countertop templating. Depending on your design, this phase may require multiple visits. Projects with full-height backsplash or custom stone features often involve a second visit to complete trim work and moldings.

5

## COUNTERTOP TEMPLATING

On-site laser templating captures detailed measurements for the countertops. This ensures all pieces fit correctly, including corners, backsplashes, and any custom elements.

6

## COUNTERTOP INSTALLATION

Countertops are delivered and installed, with final adjustments made for proper fit and alignment. The space is completed and ready for use.

# Are You A Professional?

## TRADE PARTNERSHIP PROGRAM

At EZcabinetry & Stone4Kitchen, we value relationships. Our Trade Partnership Program is designed for contractors, builders, interior designers, and professionals in the field who want to offer premium cabinetry and storage solutions to their clients. Whether you specialize in high-end renovations, multi-family projects, or functional space planning, we provide the expertise, resources, and locally stocked products to bring both you and your clients' vision to life.

### Our Trade Partners Benefit From:

✔ **Exclusive Pricing**

Save on cabinetry, countertops, hardware, and installation while delivering top-quality solutions.

✔ **Dedicated Support Team**

A dedicated team for design, coordination, and installation.

✔ **Prioritized Order Processing**

We understand deadlines matter. Your orders can be prioritized to keep tight-schedule projects on track.

✔ **Design Help & Showroom Access**

Let clients see and experience materials firsthand, making selections easier and helping you close projects faster.

✔ **Industry Events & Updates**

Access product launches, trade events, and program updates to stay ahead of trends and innovations.

## INTERESTED IN OUR TRADE PROGRAM?

### How To Join

Becoming a member of our Trade Program is simple. Contact us today to register, or stop by at one of our showrooms. It is an easy straightforward process that takes less than 10 minutes.

- ✔ The program is available to interior designers, contractors, builders, and professionals with an active business.
- ✔ Proof of business license or professional credentials may be required.

# Multi-Family & Senior Living

COMMERCIAL & MULTIFAMILY DIVISION

We partner with multifamily and senior living communities to keep lease units updated, reduce turnover time, and increase long-term property value. As a cabinet and countertop wholesaler, we understand the pace and demands of property management—and we're built to support it.

Last year alone, we supplied thousands of cabinets and countertops to communities across Hampton Roads and Richmond, earning outstanding feedback from property managers, maintenance teams, and ownership groups. Our streamlined process makes unit turns faster, easier, and more cost-effective without sacrificing quality.

## Why Property Managers Love to Work With Us

- ✔ **Free On-Site Inspection & Measurement**  
Our team visits your property to verify dimensions and scope, ensuring accurate pricing and eliminating mistakes.
- ✔ **Fast, Reliable Turnaround**  
Most orders are delivered within 2–5 business days, helping reduce vacancy time and keep unit turns on schedule.
- ✔ **One-Stop Shop for Cabinets & Countertops**  
Simplify purchasing with a single local partner for both products, coordination, and delivery.
- ✔ **Design Guidance & Post-Sale Support**  
Help with layouts and selections, plus continued support after installation.

# Getting Started

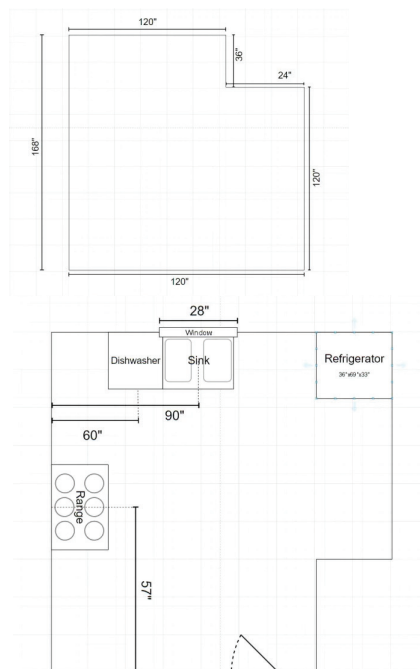

## HOW TO GET A QUICK QUOTE

Many of our homeowners and contractors send us rough measurements to get a quick design and preliminary quote. It's an easy process that usually takes about 10–15 minutes, depending on the size of your project.

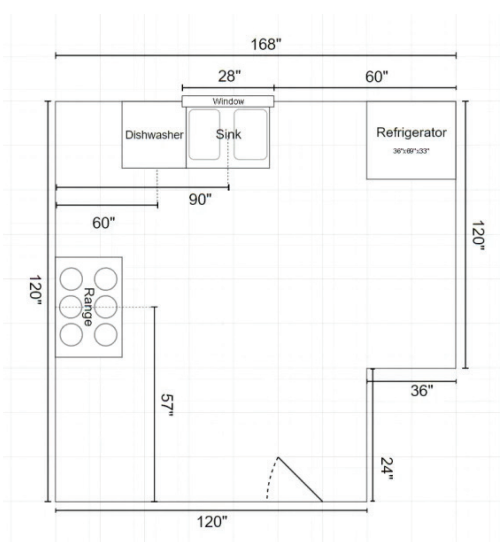

Just follow the steps below to submit your measurements and get a general idea of pricing. If you'd rather meet in person, we also offer free in-home consultations—simply reach out to our office to schedule. No deposit or commitment is required for an on-site template.

### Measure Your Space in 6 Easy Steps:

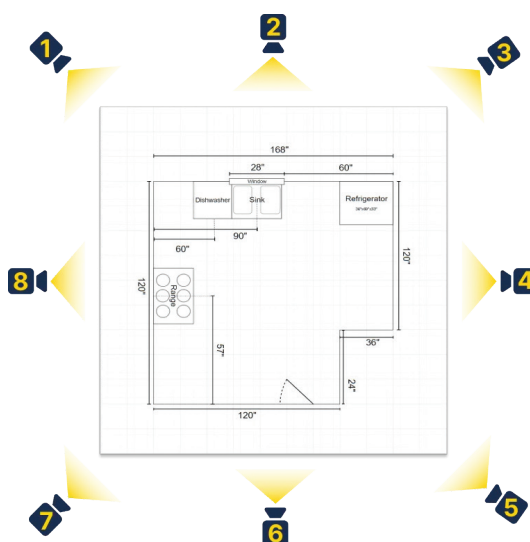

- 1 Draw the room's shape and include all walls, doors, and windows.
- 2 Measure from the floor to the ceiling.
- 3 Measure each wall section from one corner to the other end.
- 4 Measure doors and windows from the outside of the frame. Note door swing on your sketch.
- 5 Mark the locations of where the appliances will go.  
*Please be sure to include the dimensions of each appliance.*
- 6 Mark sink, water, and gas line locations. Measure to the center of each connection.

### Final Sketch Should Look Like This

### Take pictures from every angle of your spaces.

Once you gather all the information and photos, **email it to us at [info@ezcabinetry.com](mailto:info@ezcabinetry.com)**
